# SANT SINGAJI EDUCATIONAL SOCIETY

Empowering Rural Youth

## INTRODUCING THE SANT SINGAJI EDUCATIONAL SOCIETY

Sant Singaji Educational Society (SSES) was established in 2010, with a view to create social and economic transformation in one of the most backward areas of the country, being the Gondwana area of Madhya Pradesh.

This co-educational institute, with more than 1,000 students on its rolls caters for the youth of three rural districts of Madhya Pradesh.

In only Eight years, it has achieved stellar results so far: 17 students (Mostly girls) have obtained university ranks, putting Sandalpur on the education map of Madhya Pradesh.

Some of its graduates now work in software hubs of Bengaluru, Hyderabad and Pune, in companies like Cognizant Technology Solutions Corp., Infosys Ltd and SAP.

## INTRODUCING OUR SOCIETY in Madhya Pradesh

ESTABLISHED 2010

Sant Singaji Institute Of  
Science And Management

*"Our vision is to impart high-quality holistic education to rural youth. The area will be known by "Singaji Educational Village" and will have a positive social impact on society, leading toward the socio-economic transformation of rural India"*

FINANCIAL DEMANDS

## THE CALL in rural India

Approximately 7,000 – 8,000 youth drop out after 12th in Sandalpur, Madhya Pradesh.

Only 1,500 – 2,000 would opt for higher studies.

Even after getting a degree, a majority of them would open small mobile shops or would settle with a meagre salary of Rs. 4,000 – Rs. 5,000

Access to education beyond higher secondary schooling is a mere 10 % among the University-age population in India.

Moreover, just 2 % of the rural population is educated beyond higher secondary level.

There is a tremendous lack of good quality institutes and teachers who are willing to work in rural areas.

The social atmosphere is also such that there are no role models for youth.

Because of these factors, the youth remains unemployed and directionless.

## HOW YOU CAN HELP

## Take Action

### As an Individual

- \* We welcome all committed people, young or old to come and volunteer.
- \* If you wish to be a part of change and willing to build a career you can join us as a full time professional.
- \* You can make monthly or annual donations to sponsor a student.
- \* Build awareness on issues of rural youth education among your friend as colleagues in gatherings.

### As a Corporate

- \* Corporate can help us by CSR funds to sponsor students.
- \* Corporate can be partners for providing internships and job opportunities to the students.
- \* Sponsor or donate stationery, hardware for our offices.
- \* Connect with us on supporting projects in specific areas based on need-specific priorities

### Join our Social Network

- \* Increase our followers on Twitter
- \* Expand our network on Facebook
- \* Write stories and updates for our Blog
- \* Follow us on Instagram

## Success Stories

### Asharam Bhawsar

Asharam belongs to a very poor rural labourer family. His father is a daily wage labourer and his mother works at home. He is their only child. He belongs to one of the remotest and least developed villages in Khandwa, Madhya Pradesh. But all these hardships did not deter him from dreaming big. He always wanted to do something for his society, and therefore he prepared and got selected in the prestigious Azim Premji University, Bangalore. He is pursuing M.A. Development from there.

### Vineeta Panwar

Vineeta is from a small town called Nasrullaganj that falls in Sehore district of Madhya Pradesh. Nasrullaganj is 50 km from SSISM Sandalpur. She earned her Bachelor's degree B.Sc (Biotechnology) from SSISM in 2017. Even today in Indian villages higher education and jobs are not meant for girls. The case was same with Vineeta she got graduated but was not allowed to go for a job. Her family denied even after clearing the interview because no other girl from their family or society went out ever. Vineeta stood firm this time. During graduation, she got selected for Ram Krishna Mission. She is handling the complete northern zone and travels different states for supervision.

### Babita Panwar

Babita is a differently abled girl. She has polio since childhood, because of which she can only walk with the help of a stick, and that too with lot of difficulties. She belongs to a poor, rural labourer family. She did well in her studies at SSISM, and taught in a local school for some time. But she wanted to do big in life, and we supported her. She is now working in an award winner business process company in Bangalore.

## Placements

**Sunil Malviya and Prashant Kashikar got selected in WIPRO, Bangalore**

**Agranshi Gaur got selected for Luminous, Gurgaon**

**Shirin Ali & Mayank Agrawal got Selected in GSPANN Hyderabad**

Ramakrishna Mission, Delhi's ACP: Awaken Citizen Program has been piloted in SSISM. Our 10 students have been placed as Resource Persons in this program and are working in different states of India. ACP is a value education program, running in hundreds of schools across India

20 students got placed in Parivar Kutir Program M.P.

Rang De's "Swabhimaan" Project launched in Sandalpur and Savasada villages. Poor villagers are getting financial literacy and micro loans under this program. SSISM students are placed spearheading the program fully

Swami Vivekanand

Sister Nivedita

## SNS & SVS

## Singaji Vivekanand & Nivedita Scholarship

### Exam 2019

12th and 13th January 2019

### SNS-SVS Exam

In the year 2018, we induced two scholarships Singaji Nivedita Scholarship and Singaji Vivekananda Scholarship for girls and boys. We received 1200 applications for the same, after a rigorous selection process including written exams, personal interviews and home visits we shortlisted 300 students. 200 girls and 100 boys. With the help of your contribution, we got successful in providing free education to these 300 students in the academic session 2018-19.

With a view to reach more and more students in need, we conducted SNS and SVS Singaji again for the upcoming academic session 2019-20 on 12th and 13th of January. This year we got 1800 student applications and will select 300 new students. In this way we have a total of 600 students in year 2019 who will be getting free education. We need support for this step.

The Institute runs 8 Undergraduate courses and 2 Post graduate courses. These courses offer students the opportunity to graduate in major streams like Science, Commerce and Arts.

## DEGREES & PROGRAMMES

## ON SITE IT SERVICES

*Singaji Software Solutions & Cloudiate creates opportunities for students to do software development for foreign clients. Singaji Business Solutions encourages students to become entrepreneurs.*

### ON SITE COMMERCE

*SSISM has two software companies that run from the campus. London based Cloudiate, and Singaji Software Solutions (SSS). Students from the institute are hired by these companies.*

### AGRICULTURAL INITIATIVES

*To increase opportunities for employment and lucrative entrepreneurship, organic farming was introduced to students of seed technology, biotechnology and microbiology under Sankalpana Project. Small farm plots on campus were created to harvest exotic, popular vegetables and market them.*

## SCIENCES

B.Sc. (CS) & BCA  
B.Sc. Biotechnology, B.Sc. Microbiology B.Sc. Seed Technology.

*Computer Sciences courses are the forte of our institute, with a high rate of enrollment of students.*

## COMMERCE AND MANAGEMENT

B.Com & B.BA  
M.Com

*There is a huge demand for well-trained commerce and management graduates.*

*SSISM offers both undergraduate and postgraduate teaching in these disciplines.*

## ARTS & SOCIAL WORK

B.A. (Computer Applications)  
MSW (Master of Social Work)

*Provides an opportunity to rural youth to become professional social workers.*
